

Dear Parents

At Swiss gardens we aim to offer the children a wide range of interesting and stimulating after-school activities.

We try to ensure that children are given the opportunity to join in with sporting, artistic and social activities as well as clubs that will support the learning that goes on in school.

We have outside providers as well as a number of clubs run by our dedicated and hardworking teachers and teaching assistants.

We hope that you will see that there is lots to choose from, from construction to coding and rugby to yoga, there is a great variety of activities on offer.

If you think you would like to support the running of a club, or have any ideas for new clubs, then do please come in and talk to us.

If you wish your child to join one of our clubs, please contact our office for further information and availability of spaces.

Best wishes

A handwritten signature in black ink, appearing to read "Ruth Magdon". The signature is fluid and cursive, with a long horizontal stroke at the end.
